

Lonely Planet Boy

New York Dolls

It's hard,
It's so hard And it's a lonely planet joy
When the song from from the other boys
That's when I'm a lonely planet boy
And I'm tryin, Baby for your love Whoa, whoa, whoa, yeah Oh, you pick me up
Your outta drivin in your car
When I tell you where I'm goin
You're always tellin me it's to far But how could you be drivin
Down by my home
When ya know, I aint got one
And I'm, I'm so all alone
Whoa, whoa, whoa, yeah Oh it's a lonely planet joy
When the song from your other boys
That's when I'm a lonely planet boy
And I'm tryin, I'm cryin,
Baby for your love Whoa, whoa, whoa, yeah Oh, It's so lonely Whoa, whoa, whoa, yeah Oh can't
you hear me callin
I'm a thousand miles away
And I don't wanna stay
I'm thinkin words I gotta say Cus I wanna be there witcha
And I know what to bring
I remember, from the days
You got over, everything
Whoa, whoa, whoa, yeah Oh it's a lonely planet joy
When the song from your other boys
That's when I'm a lonely planet boy
And I'm tryin, I'm cryin,
Can't ya see I'm diein
Baby, for your love Whoa, whoa, whoa, yeah
Whoa, whoa, whoa, yeah
Whoa, whoa, whoa, yeah Now you are lonely
