

Judgment Day

[Rob Rock](#)

Violence, wrath and chaos
Blood fills the street
Generals lead their masses
Children at their feet Judgment Day
Will the sun refuse to shine
Judgment Day
When the stars fall from the sky Come Armageddon
The woman rides the beast
Wisdom from the heavens
Anger, plagues, disease
Judgment Day
When the stars fall from the sky
Judgment Day
Good and evil will collide
Judgment Day
There's a rider on the storm
Judgment Day
Bringing justice and the sword Kings of earth are unclean
Babylon demon seed
Riches, splendor, blinded by her luxuries Lead the nations astray
Kill the prophets and saints
Deluded and fallen, the mark of the beast The beast and the dragon are false
Weeping and mourning cry out
Scavengers feast, eating your flesh
Judgment Day
When the stars fall from the sky
Judgment Day
Good and evil will collide
Judgment Day
There's a rider on the storm
Judgment Day
Bringing justice and the sword
