

IDKW (feat. Young Thug)

Rvssian, Shenseea & Swae Lee

You may not be
A movie star
You may not drive A big fast car
But I love you
In every way
Yes, I love you
In every way I don't know why (Oh why)
Oh why
I don't know why (Why)
Oh why
(Hey Rvssian) See me instead (Yeah)
I promise none of them matter
What are you after (Oh)
Don't call me for back up (Hey)
Yeah she wants me on her curves
I'm willing to do it (Do it)
Looking me up and down
Still going through it (Oh)
You still going through it (Oh)
And you're kissing me two lips
And you're touching your tulip
You're bad and you already proved it (Yeah)
You may not be
A movie star
You may not drive
A big fast car
But I love you
In every way
Yes, I love you
In every way I don't know why (Oh why)
Oh why
I don't know why (Why)
Oh why (Six)
You ain't got to have a mil for me to like you
It's all about the appeal, not the nice shoes
All dem hoes that didn't know you, throwing rice boo
But you can spend a half million they ain't like you
They watch me turn you up and now they want to fight you
I watch you ball on all dem bitches just like Ky U
Fuck you in the daytime and the night too
Bend your back, I want it face down like a iPhone
You may not be
A movie star

You may not drive
A big fast car
But I love you
In every way
Yes, I love you
In every way I don't know why (Oh why)
Oh why
I don't know why (Why)
Oh why Ahh Shenseea
I don't know where I go but I know where mi been
And I hope that you know that my love's genuine
Cause hope it will be enough
Ima give you all that I got
Can't believe mi ah see you when mi eye lock (Yeah)
If a bwoi seh him tek it then ah lie that (Woi)
Any thing you say to do that mi ago do fi you
I have the itty bitty look you can tie that
Yeah yeah You may not be
A movie star
You may not drive
A big fast car
But I love you
In every way
Yes, I love you
In every way I don't know why (Oh why)
Oh why
I don't know why (Why)
Oh why
