So back up off the block, blow up the spot  
So left-right-left-right

And you know what this is (what?) Face down on the floor  
Give me it all, I got they back against the wall. { \*echoes\* }Chorus 2X[Sticky Fingaz]  
Don't be afraid, you'll only lose your life that way  
I'm an endangered species, surprised to live to see today

Too much strain on the brain, capable to pop a vein  
So I'ma do-it do-it do-it do-it do it like this  
The Onyx is here, so back up or get dissed  
And if you put me to the test, I'll lay you to rest  
Bring it right to his chest, put it straight through his vestChorus 2.5XBack, UP! Onyx is here.
