

Make It Hot

Kottonmouth Kings

Make it hot, make it hot woo, make it hot, hot, I said make it hot
The joint, the joint, the joint is
on fire

We don't need no water, we just wanna let it burn
(Make it hot make it hot)

Hot like an inferno dollar bills, shit

You gotta earn those, fats joints, yea you gotta burn those
Make it hot, make it hot and burn the
whole spot to the ground

Smell the pot from the pounds burnin' up your town
Never stop from hittin' sounds from the underground

Make it hot make it hot We're ten years into this thing and we're still doin' this

The longa magic bus playin' no train were still persuin' this

The life of screaming Kottonmouth Kings

And makin' music, yes we still smokin' mad green

And livin' for our own amusement

See we really don't care what other people think of us

'Cuz we make it hot, created a buzz

And we takin' over from L.A. to Japan fans

They be the greatest y'all my motherfuckin' mans what I make it hot
D loc all is up in the g-spot

Pussy always wet when I run up on the set, yes

And if it's not then my rhymes ain't tight, no

So that means that your flow is bootied
And you gots to go, yo hold up for a second

You need to give this cat just a lil' more

Indo smoke 'em out let 'em know what you about

Ah make it, make it, make it, make it

(Hot, hot, hot, hot) Hot like an inferno dollar bills, shit

You gotta earn those, fats joints, yea you gotta burn those
Make it hot, make it hot and burn the
whole spot to the ground

Smell the pot from the pounds burnin' up your town

Never stop from hittin' sounds from the underground

We don't need no water we just wanna let it burnSketched out, stretched out in the back got a
guinness in my mouth
In my sack all my people know what I'm about
See I'm a mack I'ma hit the stage turn the page no turnin' back
You got one life one chance, this is it got a fat joint in my handAnd now it's lit I'ma grease ball
grimmy type when I spit
See I'm all [unverified] sticky shit in my pipe
My stoner kick be flyin' high like a kite
What'd you expect all these ladies lookin' so fineUp in the set me I'm prime time, I got mine

Gotta bullet proof when we shoot straight in my heart
See we put the ball in the hoop, tear you apart
We get high score when we tour then cash the checks
And leave 'em all clueless soreMake it hot, hot like an inferno dollar bills, shit
You gotta earn those, fats joints yea, you gotta burn thoseMake it hot, make it hot and burn the
whole spot to the ground
Smell the pot from the pounds burnin' up your town
Never stop from hittin' sounds from the undergroundSounds from the underground
