

Angel in Disguise

OMC

ceali is gone away
and shes never comin back here again
i understand
i know where your comin from
so take your time
you've planned this since the first time we met
ohare u ever comin back
are u ever comin back again
first time i saw u u were crowned in silver
ur hair full of fire
guess u would have been a goddess
trin comina? i would fortify and this shi*
i was more than contempt
ten times my eyes glanced upon your temple but i could
never imagine your deep fantasies
in case u really had another lover
another brother
fantasize your unique and pure the words u speak chocolate coated
whispers
you have a style so unique and pure
the heavens up above i think im infatuated by your spirit
well 10 times my eyes glanced upon your temple
well 10 times my eyes glanced upon your temple
time flies when your havin fun
time flies when your havin fun
time flies when your havin fun
well time fliesceali's gone away
and shes never comin back here again
i understand
i know where ur comin from
just take your time
u've planned this since the first time we met
oh
are u ever comin back?
are u ever comin back
are u ever comin back
are u ever comin back
are u ever comin back

are u ever comin back again
