

So Far I Have Not Found the Science

Soul Coughing

I don't mind worry following me like a dinosaur
I don't fear I am descending into the molten core
So far, I have not found the science
So far, I have not found the science But the numbers keep on circling me I don't mind worry
following me like a dinosaur
I don't fear I am descending into the molten core
So far, I have not found the science
So far, I have not found the science
But the numbers keep on circling me
But the numbers keep on circling me I'm gonna give you most of mine
I'm gonna give it if I don't slip you
I'm gonna give you most of mine
I'm gonna give it if I don't slip you
I'm gonna give you most of mine
I'm gonna give it if I don't slip you
I'm gonna give you most of mine
I'm gonna give it if I don't slip you So far, I have not found the science
So far, I have not found the science But the numbers keep on circling me
