

Skeleton Boy (Air France Remix)

Friendly Fires

I close my eyes, on the dance floor
And forget about you
I lose myself in flashing colours
I've gotta see it through You're too much,
I take it that we're over
Should we even care at all?
You're too much, too much
Let's shake hands and say good(bye)
(X2)
Your love is out
But even despite it all
Give me your hand
Let's face this night and see it through Right by my feet, lay broken glasses
You skeleton boy
Sweat from the walls, drips on my shoulder
I gotta see it through You're too much,
I take it that we're over
Should we even care at all?
You're too much, too much
Let's shake hands and say good(bye) Who, yeah
Who, yeah
Who, yeah
(X5)
Your love is out
But even despite it all
Give me your hand
Let's face this night and see it through
