Sleep Alone

Two Door Cinema Club

Know

My only goal is to see When I'm only fast asleep It takes more than strength to find This piece of mindSo I'll hold, hold, hold, hold it close To my heart beating with every step Hold, hold, hold it closeHe sleeps alone He needs no army where he's headed cause he knows That they're just ghosts And they can't hurt him if he can see them, oh And I may go To places I have never been to just to find The deepest desires in my mind We We only know, what we see Cause we're always fast asleep Is it so hard not to believe That we'll never knowOh hold, hold, hold, hold me close I've never been this far from home Hold, hold, hold me closeHe sleeps alone He needs no army where he's headed cause he knows That they're just ghosts And they can't hurt him if he can see them, oh And I may go To places I have never been to just to find The deepest desires in my mind It's in my head And I have said That I must be like him, oh He sleeps alone He sleeps alone And one last chance To make sense Of what has long escaped us He sleeps alone I sleep aloneHe sleeps alone He needs no army where he's headed cause he knows That they're just ghosts And they can't hurt him if he can see them, oh And I don't know If in the morning I will be here and if so Let it be known

That I was worthy I was worthy I was worthy I was...
