

I Feel You

Melanie De Biasio

I fell you
A deep echo in me
A strong appeal for that mystery
I know you knowCuz' I fell you
I won't say why we met
It sound to loud
I know you knowFear is knocking on our door
but love is calling us for sure
The wind is blowing much too hard for love
There's no reward
I feel you
A deep echo in me
A strong appeal for that mystery
I know you know
