

Intro

Wyclef Jean

Hey, this is Steve Harvey
And I want to thank this brother
For inviting me to be a part of this project
Preacher's Son, Vol.1 And it is music the way I love music
It is soothing, it is grooving
It is the truth, it's old, it's new
It's for everybody Kinda reminds me of when you
And your mamma used to sit around
And listen to the same songs
This is one of the cool soldiers of hip-hop
My man, Wyclef Jean, do your thang
